Where will you be on October 31, 2009?

Every year we survey new graduates as part of the Australian Graduate Survey (AGS) to find out about your higher education experience and what you plan to do after graduation.

You will be sent the AGS in the coming months. If you have recently moved, or plan to move before October 31, 2009, just fill in your contact details and pop in the post so we can be sure it gets to you. Don't miss out – your opinion counts!

Thank you for your help in improving Australian higher education.

Your confidential response to the AGS will be used to monitor and enhance the quality of our courses and to provide informed advice to students about career opportunities. The AGS is coordinated by Graduate Careers Australia together with higher education institutions around Australia.
